Re: Scholarship announcement  
 Encl: Application form, Criteria of Eligible Candidate

Your excellency,

To support a steep rise in the demand for qualified members of an interconnected global community, I am delighted to announce KMUTNB will award 1 scholarship to a prospective student from your country who intend to admit to the B.B.A. International Trade and Business Logistics (International Program at International College of King Mongkut's University of Technology North Bangkok in the Academic Year 2023).

Designed to prepare students as well-rounded professional of an interconnected global community, the programme aims to sustain students' broader vision and understanding of the international business environment. Students will be equipped with knowledge, skills and attitudes needed to become reflective, new-generation global citizens who contribute to the economic growth, development and prosperity of their communities. This programme will be a benefit to aspiring students who are looking forward to expand their perspective into Global economic environment, business culture and practices.

We would be most grateful if you would promote this scholarship opportunity in Nepal. The recommended candidate's name list should be submitted to the International College, KMUTNB by 31<sup>st</sup> May 2023. An interview will be conducted during the week between 5<sup>th</sup> - 9<sup>th</sup> June 2023.

Subject: Scholarship offered for Undergraduate Degree in Engineering Programs at  
King Mongkut's University of Technology North Bangkok.

King Mongkut's University of Technology North Bangkok (KMUTNB) was ranked among Thailand's top three universities in Mechanical, Aeronautical & Manufacturing and No. 4 in Thailand for Engineering- Electrical and Electronic Engineering from the 2022 QS World University Ranking. Our programs provide students from all over the world with an exceptional educational experience that prepares them for successful careers and meaningful lives.

On behalf of Faculty of Engineering, King Mongkut's University of Technology North Bangkok (KMUTNB), I am pleased to offer "Tuition-waived scholarships for outstanding students in engineering" to Nepali citizens for the academic year 2023. As part of our commitment to supporting education and academic excellence, we are offering 4 scholarships for 4 English/International Programs (1 scholarship for each program). The faculty of Engineering welcomes all students from strong mathematics and science backgrounds who have a strong passion for learning and are committed to positive impact in their communities. The scholarships cover tuition fees, health insurance, and accidental insurance.

The scholarship program is open to high school students with Nepali citizenship. The scholarships are tuition fee waivers for outstanding students in the undergraduate degrees of the following programs:

1. English program in Electrical Engineering
2. English program in Robotic Engineering and Automation System
3. International program in Aerospace Engineering
4. International program in Mechanical Engineering

Qualifications

Eligible applicants are those who fulfill the following admission requirements:

1. Holds a high school diploma or certificate (or its equivalent)
2. Is proficient in English.
3. Has one of the following standardized tests:
  - Scholastic Aptitude Test (SAT) not less than 1200
  - GSAT not less than 1200
  - Cambridge International A Levels (Mathematics) not less than B and  
Cambridge International A Levels (Physics and Chemistry) not less than B in both subjects
  - IB (Mathematics) HL not less than 6 and  
IB (Physics and Chemistry) HL not less than B in both subjects
  - International General Certificate of Secondary Education (IGCSE) or General Certificate of Secondary Education (GCSE) or General Certificate of Education (GCE) which scores are not less than C in at least 5 subjects and must include Mathematics and Physics in those 5 subjects.
  - General Educational Development (GED): A score not less than 145 in each subject. A score in Math and science not lower than 165 or use the criteria in the system.
4. Meet the minimum requirement for one of the following English Language Qualifications.
  - TOEFL (PBT/ITP) not less than 500 or IBT 61
  - TOEIC not less than 600
  - IELTS not less than 6.0
  - K-STEP (KMUTNB) not less than 60
  - Duolingo not less than 85
  - Students who are native speakers are not required to take the English proficiency test.

All applicants must complete and submit the supporting documents below.

- Download the application form ([Application form.pdf](#)) ([Application form.word](#))
- Academic transcript(s)
- Official test results for all the required tests.

King Mongkut's University of Technology North Bangkok

..... [www.kmutnb.ac.th](http://www.kmutnb.ac.th)  
University of Creative Invention to Innovation

- A certificate of student status from the current institution (for applicants who are still currently studying in school)
- Letter of recommendation
- Cover letter (optional)
- A copy of the identification card/passport
- A copy of the house registration

**\*\*Scholarship recipients need to maintain at least an accumulated GPA of 2.85/4 throughout the program\*\***

Please visit our website for more information about the tuition-waived scholarships and our offered programs at [https://www.eng.kmutnb.ac.th/criep/?page\\_id=122](https://www.eng.kmutnb.ac.th/criep/?page_id=122).

Please also note that our semester of 1/2023 will start on July 3, 2023. Candidates who are qualified for these scholarships should be announced at least 1 month prior to the first day of the semester.

I look forward to receiving your positive response. Any inquiries or questions regarding the scholarships or admission to KMUTNB, please contact Asst. Prof. Tanaporn Rojhirunsakool, Ph.D., Assistant Dean for International Affairs and Public Relations.

Yours sincerely,

Subject: Scholarship Announcement

Encl: Application form and Brochures of Master and Doctoral Programs at TGGS (International Program)

Dear Sir/Madame,

To support a steep rise in the demand for potential graduates and to prepare students as qualified members of an interconnected global community, I am delighted to announce KMUTNB will award **2 scholarships for Master program and 1 scholarship for Doctoral program at TGGS** to prospective students from your country who intend to admit to the postgraduate study at the Sirindhorn International Thai-German Graduate School of Engineering, King Mongkut's University of Technology North Bangkok in the Academic Year 2023. This scholarship opportunity is offered in conjunction with the human resource development in aerospace technology. The prospective students are to enroll in the major engineering disciplines available at TGGS, such as electrical, mechanical or production engineering program, which are needed for the applications in aerospace technology. Their deep specialty in aerospace technology will be developed through the research works in their theses under closed collaboration with International Institute of Space Technology for Economic Development (INSTED).

We would be most grateful if you would promote this scholarship opportunity in The Federal Democratic Republic of Nepal. The recommended candidate's name list should be submitted to TGGS, KMUTNB by 30<sup>th</sup> April 2023. An interview will be conducted during the week between 8<sup>th</sup> -12<sup>th</sup> May 2023. The recipients' name will be confirmed on 14<sup>th</sup> June 2023. The Sirindhorn International Thai-German Graduate School of Engineering reserves the right to award the scholarship to the most suitable recipient.
