The Embassy of the Arab Republic of Egypt presents its compliments to the Ministry of Foreign Affairs of the Government of Nepal and has the honour to inform that applications are now open for international students seeking higher education degree studies (graduate and postgraduate) in Egypt for the Academic Year 2023/2024. This opportunity falls under the esteemed "Study in Egypt" global initiative, which promotes Egypt as the premier study destination for international students. It is the sole international-level initiative that showcases the exceptional quality of Egyptian higher education and the transformative opportunities it offers.

Nepali students who aspire to enroll at Egyptian universities and institutes are advised to apply online through the dedicated application website

<https://admission.study-in-egypt.gov.eg>

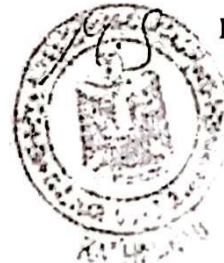

In addition, the Embassy wishes to enclose an information note detailing the admission requirements and necessary documents for completing the application process via the aforementioned portal (announcements & guidelines enclosed).

The Embassy kindly requests the Ministry's assistance in disseminating this initiative's information to the relevant authorities in Nepal.

The Embassy of the Arab Republic of Egypt avails itself of this opportunity to renew to the Ministry of Foreign Affairs, Government of Nepal, the assurances of its highest consideration.

Study in Egypt's Public, Private, and Technological Universities & Institutes:

International Student Application Now Open!

Academic Year 2023/24

Undergraduate Level

The Study in Egypt Initiative, introduced by the Egyptian Ministry of Higher Education, is delighted to declare the commencement of the application process for international students wishing to study in Egypt's public, private, and technological universities and institutes in the academic year 2023/2024.

Key Dates:

- The first phase of applications will be available from June 23, 2023, to September 15, 2023.
- The second phase, specifically for students interested in credit hour programs and special programs, will be open from December 1, 2023, to December 31, 2023.

To be eligible for admission, applicants must meet the minimum requirement outlined below:

Faculties	Universities	Min. admission requirement %	Universities	Min. admission requirement %
Medicine	Cairo Ain Shams Alexandria Al-Mansoura Asyut	75%	The rest of the Universities	70%
Dentistry Pharmacy		70%		65%
Physical Therapy Veterinary Engineering Urban and Regional Planning		65%		60%
Fine Arts (Architecture) Agriculture/Agriculture Engineering Computers & Information Sciences		65%		60%
Science Health Science Fisheries and Aquaculture Sciences Science (for girls) Applied Arts		55%		50%
The rest of faculties and institutes in the scientific department: 50%				

Faculties & institutes in both the scientific and social sciences departments	Min. admission requirement %
Faculty of Economics and Political Science	70%
Faculty of Mass Communication	65%
Faculty of Al-Asun (Languages)	55%
The rest of faculties and institutes	50%

The minimum admission requirements have been established by the Supreme Council of Private and Public Universities as follows:

Faculties	Universities	Min. admission requirement %
Medicine Dentistry Physical Therapy Pharmacy		58%

For the rest of faculties and institutes in both the scientific and social sciences departments, the minimum admission threshold is set at 55%.

A) Admission Procedures:

1. Students are required to apply through the "Study in Egypt" platform website, which can be accessed at <https://admission.study-in-egypt.gov.eg>.
2. Students must upload copies of the necessary documents on the website.
3. Students are allowed to select their preferred colleges (up to 10 choices).
4. Within a maximum of 14 days from the date of nomination, students must pay the service fees, including coordination, qualification, university enrollment, and club membership. Failure to pay the service fees will result in electronic admission coordination on September 15, 3023.
5. After nomination, the student must submit the original file to the university (or their authorized representative or the student's embassy) no later than September 30, 2023, without any additional fees.

6. Students nominated for admission to private higher institutes, technical institutes, health institutes, academies, technological colleges, and students nominated on grants from the Presidency of the Republic and the Egyptian Agency of Partnership for Development (EAPD) should submit their files through the student (or their legal representative via the student's embassy or express mail) to the Central Administration for International Student Affairs. The Central Administration for Student Affairs will issue the digital statement.
7. If the data in the student's original file is found to be incorrect, the nomination will be canceled, and the student will not be entitled to a refund of any fees paid.

B) Application Terms:

1. Applicants must be non-Egyptian.
2. Students should apply through the "Study in Egypt" platform website at <https://admission.study-in-egypt.gov.eg>, keeping in mind that their studies will be conducted under the name stated on their passport or asylum card.
3. Applicants must possess a high school diploma or an equivalent qualification.
4. All required papers and documents for the application must be completed.

C) The following documents are required for application on the "Study in Egypt" platform:

1. Copy of the educational certificate.
2. Copy of a valid passport or valid refugee card.
3. Personal photo of the student.
4. Copy of the aptitude test (if applicable).

D) Required Documents:

1. Original attested/legalized secondary qualification certificate, attested by:
 - The Ministry of Foreign Affairs of the country issuing the certificate and the Egyptian Embassy/Cultural Attaché in the country where the student is located.
 - Or the embassy of the country issuing the certificate or from the embassy of the student's country in the Arab Republic of Egypt and the Egyptian Ministry of Foreign Affairs attestation office.
2. Copy of the passport or refugee card.
3. Copy of the birth certificate.
4. Personal photos (7 photos).
5. Aptitude test result (for colleges that require this test).
6. A copy of the deposit receipt is required for bank deposits.

The following are the receipts for payment of services:

- Application service on the website: \$170
- Coordination service: \$170
- Qualification novelty service (if applicable): \$300 per year

- International Student Club subscription service (each academic year): \$150
- Modification of nomination: \$150
- Postponement of admission: \$150
- Re-nomination: \$150
- Re-admission: \$150
- Shifting of admission: \$150
- Internal transfer of admission: \$150
- Transfer from abroad: \$1000
- Registration fee for the first time: \$1500

Payment methods

1. Make payments through the Study in Egypt platform.
2. Make payments via bank deposit.

Here are the bank account details for your reference:

- IBAN Account Number: EG050002014901490120000000528
- SWIFT CODE: BMISEG CX140
- Account Number: 1490120000000528
- Account Name: International Student Association Fund

Please note that coordination is done electronically on the same day the application is processed, prioritizing submission and payment.

(Postgraduate Studies)

The Egyptian Higher Education Council has officially opened the application process for international students to study in public, private, technological universities, and Egyptian institutes for the academic year 2023/2024. This opportunity is available for postgraduate studies as part of the "Study in Egypt" initiative launched by the Egyptian Ministry of Higher Education. The application period will run from July 1, 2023, to May 31, 2024, through the Study in Egypt website platform.

A) Application Requirements:

1. To apply, students must visit the Study in Egypt platform's website at <http://admission.study-in-egypt.gov.eg>.
2. Students are required to upload copies of the necessary documents on the website.
3. Each student can select a minimum of one desire and a maximum of three desires.
4. If any documents are incomplete, students will receive a notification through their Study in Egypt platform account, prompting them to complete the required documents. The re-examination process will take place within 5 days.
5. The preliminary selection results will be announced on the website.
6. Once selected, students must submit the original file and complete documents to the university within the specified timeframe.

Below are the conditions and required documents for applying through the Study in Egypt platform:

B) Application Conditions:

1. The applicant must be a non-Egyptian.
2. The student must be a new applicant.
3. Students who have been accepted for more than two years are eligible to reapply.
4. Applications must be submitted through the official Study in Egypt platform website: <https://admission.study-in-egypt.gov.eg>.
5. Only students with initial nominations on the Study in Egypt platform will be admitted to universities.

C) Required Documents:

1. Copy of the academic certificate.
2. Copy of a valid passport or refugee card.
3. Copy of the marks/grades transcript.
4. Copy of the certificate's credential evaluation from the Supreme Council of Universities or a copy of the electronically requested evaluation report from the Supreme Council for Universities' website: <https://equ.scu.eg/>.
5. Copy of the master's degree or diploma for master's and doctoral level applications.

6. Copy of the payment receipt in case of bank deposit. Payment receipts for services are as follows: application service on the website is \$170, coordination service is \$170, International Students Club subscription service is \$150 per academic year, change of nomination is \$150, admission postponement is \$150, re-nomination is \$150, transfer from within is \$150, and first-time registration is \$1500.

D) Required Documents:

1. Original academic qualifications.
2. Original certificate of equivalency (credential evaluation) for the latest academic study certificate from the Supreme Council of Universities (if the qualification was obtained outside Egypt)
3. Or a copy of the electronically requested evaluation report from the Supreme Council of Universities' website: <https://equ.scu.eg>.
4. Original certificate of completion of studies at the upper university level and its equivalency from the Supreme Council of Universities (if required for the applied academic degrees obtained outside Egypt).
5. When applying for a scientific degree in medical specializations, it is necessary to provide the original certified medical residency certificate.
6. If payment was made through a bank, it is required to submit the original payment receipts for coordination and submission services.
7. It is essential to include a copy of the passport.
8. In the case of sponsorship, the original letter from the student's country's embassy must indicate the student's nomination.
9. The certificates submitted must be attested in one of the following ways:
10. Attestation from the foreign affairs department of the issuing country and the Egyptian Embassy/Cultural Attaché in the student's country of residence.
Or Attestation from either the embassy of the issuing country or the embassy of the student's country in the Arab Republic of Egypt, as well as the attestation office of the Egyptian Ministry of Foreign Affairs.

Payment methods

1. Make payments through the Study in Egypt platform.
2. Make payments via bank deposit.

Here are the bank account details for your reference:

- IBAN Account Number: EG050002014901490120000000528
- SWIFT CODE: BMISEG CX140
- Account Number: 1490120000000528
- Account Name: International Student Association Fund

Transferring International Students

For the academic year 2023/2024

- Upon commencing the process of accepting applications for international students seeking to transfer to Egyptian universities from universities located outside the Arab Republic of Egypt, the student is required to submit the following documents: official transcript of grades, academic curriculum, original high school certificate, and a copy of the passport.
- The evaluation of course equivalency is conducted for the courses completed by the student abroad.
- The student is responsible for paying the application service fee, as well as the fee for transferring from abroad.
- In the case of transferring from abroad, the full tuition fees will be collected, amounting to 100% of the tuition fees, without granting any waivers regardless of the student's country of origin.
